

PEERS Goal Framework

PEERS Goals

- Powerful
- Easy
- Emotionally Compelling
- Reachable (strategy is identified)
- Student-focused

The Questions

- ✚ On a scale of 1-10, how close was the lesson to your ideal?
- ✚ What would have to change to make it closer to a 10?
- ✚ What would you see your students doing differently?
- ✚ Describe what that would look like.
- ✚ How could we measure that?
- ✚ Should that be your goal?
- ✚ If you could reach that goal, would it really matter to you? Why?
- ✚ What teaching strategy would you like to try to achieve your goals?

Identify / Focus

- ❖ Use the data to get a clearer picture of your current reality.
- ❖ Identify a change you want to see in the students.
- ❖ Identify a measurable student goal outcome.
- ❖ Identify a strategy to try.

What is an effective goal?

- ✚ Identifies a change in students.
- ✚ Is measurable.
- ✚ Identifies a teaching strategy to implement

What is an individual PEERS goal you have as a result of the peer visitation?
